Dear Valued Patient,

Thank you for choosing Wellness Doctor for your health and wellness needs!

As you may know, the past few years and upcoming year have brought a great deal of change to the healthcare and health insurance fields.

While we offer to look into each patient's insurance policy as a courtesy, we do ask that every patient also take the time to contact your insurance provider to fully understand your insurance plan, coverages, exclusions and limitations. While we may also verify your insurance plan, the information that we receive is often very limited (and at times not entirely accurate).

Please know that while we are happy to answer as many insurance questions as we can, ultimately knowing your insurance benefits (including what is covered/not covered as well as co-pays and co-insurance) is your responsibility.

Below are some questions to ask your insurance provider:

- *What is my coverage for Chiropractic, Acupuncture, Massage (under a Chiropractor's license), Functional Medicine and Nutritional Counseling?
- *What is my coverage for Physical Therapy Modalities performed by a Chiropractor?
- *Do I need pre-authorizations for any of my appointments?
- *Do I have a co-pay? If so what is it? Do I have co-insurance?
- *Do I have a deductible?
- *How many visits am I allowed and do I have a benefit max (dollar amount)?

Thank you for your time and consideration on this matter. We greatly appreciate your business!
